

Download Business English For Artists 1

Business English. These courses are designed for students with a solid understanding of English who are interested in improving their business English. Though women artists have been involved in the making of art throughout history, their work, when compared to that of their male counterparts, is often both overlooked and undervalued. Performing arts are a form of art in which artists use their voices, bodies or inanimate objects to convey artistic expression. It is different from visual arts, which is when artists use paint, canvas or various materials to create physical or static art objects. How many business emails do you write in a day? A lot? If so, you're not alone. Email is incredibly important in the business world. 92% of people in a 2013 study thought email was a valuable tool for working with others. - Business English For Artists 1
