Wounded by a demon, Emelia is taken by her comrades, Jem and Hunor, into the dangerous Silver Mountains where they seek out an old friend. A chance encounter propels them into a quest to find artefacts of awesome power. But the Lord of the Ghasts, Vildor, ... Continue reading ...A world so complex that anything less than a lengthy series wouldn't do it justice. Emelia and her cohorts embark, somewhat reluctantly, upon a quest that may well decide the fate of all in their realm. Description This armor plate is thick and oversized compared to the rest of the golem's defenses. A quick examination of the golem's corpse reveals that this heavier plate seems to have been bolted on as an afterthought or a crude upgrade. - Darkness Rising 2 Quest
