Micky Monkey Beach Restaurant. Food-wise, you'll find almost everything in the 12 illustrated pages menu handled to you by the young sympathetic waitresses who take care of the restaurant. Blanco Renaissance Museum is an unofficial landmark in Ubud, the house and studio of the late flamboyant Philippine-born maestro, Don Antonio Blanco. Located on a hilltop overlooking the lush valley of Campuhan, it houses paintings, collages and illustrated poetry, together with lithographic artworks of his favourite subject: nude Balinese women. Travel through the fascinating, isolated and rarely visited tribal villages of rural Chhattishgarh in Eastern India, perhaps taking part in the amazing climax to the 9-day Dussehra festival in October. Ubud is known worldwide as a centre for Balinese culture, arts and crafts, and harbours a number of palaces, ancient temples, museums and art galleries. - Goa, India Travel Guide - Sightseeing, Hotel, Restaurant Shopping Highlights (Illustrated)
