

Download Helping Children With Reading And Spelling

Did you know that learning to read is a challenge for almost 40 percent of kids? The good news is that with early help, most reading problems can be prevented. Answers to frequently asked questions on how to help children with communication disorders, particularly in regards to speaking, listening, reading, and writing. It is not the case that all children with a history of speech and language difficulties have associated literacy problems. However, school-age children whose speech difficulties persist beyond 5 years of age are most at risk for associated difficulties in reading, spelling and sometimes maths. Nesy's Summer Pack is Back!
