

Download How Does Your Money Flow A Mindful E-Guide To Common Saving, Spending, And Sharing Decisions

How Does Your Money Flow? takes readers on a journey to discover how much is really enough. With self-assessment exercises, the book uncovers the true meaning of home, health, charity, and how money impacts our relationships. With needs, wants, and wishes uniquely defined, you will feel far more prepared to make money decisions. As an excerpt from the book, *The Mindful Money Mentality: How to Find Balance in Your Financial Future*, *How Does Your Money Flow?* prepares you to embark on the next step of meeting with a financial professional, or to draft your own financial plan. *How Does Your Money Flow? a Mindful E-Guide to Common Saving, Spending, and Sharing Decisions* by Holly P. Thomas Planning for your financial future can seem like a drab numbers game. *How Does Your Money Flow?* takes readers on a journey to discover how much is really enough. Rather than dictate a "Number" everyone needs to live on, you will define for yourself what your life's next chapter would look like... - *How Does Your Money Flow A Mindful E-Guide To Common Saving, Spending, And Sharing Decisions*
