

# Download How To Get Sick And Stay Sick

This will cover the fact that you're trying to stay home from school, while giving you a reason to stay home the next day. If you normally do your homework at night, get started on it, but put your head down periodically so that they see you're not feeling well and it's interfering with your work. How to Get Sick and Stay Sick | Das (Hörbuch zum Download von Sheldon Cohen MD FACP, gelesen von Joe Farinacci. Jetzt kostenlos hören auf Audible.de. Zum Hauptinhalt wechseln.
