Keifer Vassago, The Prince of Dragons, has eno...With the title of I Like Big Dragons and I Cannot Lie how could I resist? Unfortunately, although it had some cute and interesting characters and what could have been a great plot, I ended up feeling less than impressed.I Like Big Dragons and I cannot Lie by Lani Lynn Vale brings us to a world where dragons are real and there are a group of men who can ride them! Add in fated mates and a secret society bent on destruction and you have a fun book!Keifer Vassago, The Prince of Dragons, has enough on his plate without adding a brunette with a bad attitude to the mix. Fate has a way of screwing all his plans, though, whether he wants them screwed or not. - I Like Big Dragons And I Cannot Lie
