Illicit Night with the Greek was a fun and sexy book. I loved the characters. Both Jodie and Stergios broke my heart. They're wounded as individuals. Together, they make each other whole again. I loved the enemies-to-lovers vibe. It was one-sided, but watching Stergios crumble and act on his feelings for Jodie was so much fun. Susanna's writing was fantastic. She is starting to become a new go-to author and I'm excited to visit some of her previous books.
