Modern Love in miniature, featuring reader-submitted stories of no more than 100 words. In popular culture, the friend zone is a situation in which one member of a friendship wishes to enter into a romantic or sexual relationship, while the other does not. It is generally considered to be an undesirable situation for the rejected person. I don't feel bad for guys who get "friendzoned" I feel bad for the girls who get harassed for months and are only treated kindly with the thought that the guy will get something out of it.
