Six interesting retellings of six different fairytales by six skilled authors. I found each of these to be unique and very well written, although each of them are quite different from each other, and I enjoyed some more than others. Overall, a quite good collection of tales! Here are my thoughts on each.

Once: Six Historically Inspired Fairytales In this collection of stories, six authors have put their own historical spin on classic fairytales. It begins with *The Mountain of the Wolf*, a western take on Little Red Riding Hood. A rich collection of six historically inspired retellings, *Once* is a new generation of fairytales for those who thought they'd heard the tales in all their forms. Featuring the novellas of Elisabeth Grace Foley, Rachel Heffington, J Grace Pennington, Emily Ann Putzke, Suzannah Rowntree, and Hayden Wand.
