

# Download Secrets Of Yoga, God Universe

PREFACE. The present edition of this immensely useful work 'Japa Yoga' by His Holiness Swami Sivanandaji Maharaj is brought out in response to several requests that we have received from devotees everywhere. This article contains Indic text. Without proper rendering support, you may see question marks or boxes, misplaced vowels or missing conjuncts instead of Indic text. The concept of God in Hinduism varies in its diverse traditions. Hinduism spans a wide range of beliefs such as henotheism, monotheism, polytheism, panentheism, pantheism, pandeism, monism, atheism and nontheism. This is the first time the Sacred Sanskrit Bhagavad Gita has been available sung in English. This English version of the Sanskrit Bhagavad Gita was painstakingly and wonderfully translated and rendered by Swami Nirmalananda Giri of Atma Jyoti Ashram into accurate, singable English. - Secrets Of Yoga, God Universe
