

Download Technology Acceptance In Mechatronics

The 3rd International Workshop on Active Materials and Soft Mechatronics October 23-26, 2018 / KAIST, Daejeon, South Korea Conference Tracks. The conference is soliciting state-of-the-art research papers in different scientific fields related to mechatronics, control, and robotics. The IEEE International Conference on Advanced Robotics and Mechatronics (ICARM) is the flagship conference of both IEEE-SMC TC on Bio-mechatronics and Bio-robotics Systems, and IEEE-RAS TC on Neuro-Robotics Systems. **Requires a program visit prior to acceptance in the major. If you would like to schedule a program visit rather than a general campus tour, please call 320-762-4600. - Technology Acceptance In Mechatronics
