Looking for a fun job with serious perks? Worlds of Fun is now hiring for the 2019 season! Explore hundreds of opportunities from aquatics to rides, culinary to security and many more to find the right position for you! Worlds of Fun is excited to announce the addition of Boathouse Grill, a brand-new dining concept coming in 2019. The restaurant will feature a bevy of new and improved food options that are sure to make the dining experience just as memorable as the rides. Now in its second year, The World's Fare is a grand celebration of equality and the diversity of New York City paying homage to the great Fair of 1964. Fantastic history there...great post and pics. As a native NYer the old worlds fair grounds were always a cool place to visit on a road trip, and they always held a feeling of long gone mystery and history. - Worlds Fair Authentic Guide
