This chapter assesses how local constituencies have used architectural reconstructions to "edit" their urban landscapes in the case of Dresden's Church of Our Lady (Frauenkirche) and Berlin's Hohenzollern palace (Stadtschloss). InThe term tenement originally referred to tenancy and therefore to any rented accommodation. The New York State legislature defined it in the Tenement House Act of 1867 in terms of rental occupancy by multiple households, as Any house, building, or portion thereof, which is rented, leased, let, or hired out to be occupied or is occupied, as the home or residence of more than three families ...10 | D OROT HEE B RANTZ / S ASHA D ISKO / G EORG W AGNER -K YORA generated by the diversity of urban life styles and inequalities in life standards are played down, if not purposefully ignored in the glossy brochures produced by such marketing agencies. The City of New York, usually called either New York City (NYC) or simply New York (NY), is the most populous city in the United States. With an estimated 2017 population of 8,622,698 distributed over a land area of about 302.6 square miles (784 km 2), New York is also the most densely populated major city in the United States.
