

Download Comparing Fractions With Visuals

This bundle has everything you need to teach 4.NF.1 and 4.NF.2: Equivalent Fractions and Comparing Fractions. This includes 24 practice sheets, an assessment, 10 learning posters, sorting activity, and 32 task cards! Comparing fractions can get really tricky, but don't worry: kids get to use shape visuals to help them figure it out. It is usually best to show an answer using the simplest fraction ($\frac{1}{2}$ in this case). That is called Simplifying, or Reducing the Fraction . Numerator / Denominator. We call the top number the Numerator, it is the number of parts we have. We call the bottom number the Denominator, it is the number of parts the whole is divided into.. NumeratorDenominatorIf your child has a handle on writing fractions, challenge her with an lesson on comparing them. In this worksheet, kids write the fractions that match the pictures, then compare them to see which one is greater or less. - Comparing Fractions With Visuals
