While both sets of rights are recognized in the 1996 Constitution, the right to equality takes precedence. Nevertheless, a 'turn to tradition' within the ANC has seen the consolidation of ...The social construction of gender is a theory in feminism and sociology about the operation of gender and gender differences in societies. According to this view, society and culture create gender roles, and these roles are prescribed as ideal or appropriate behavior for a person of that specific sex. - Custom-published Constructing Gender Kip Version
