Die A Little 2006 Edgar, Barry and Anthony Nominee for Best First Novel. Good Housekeeping "Good Reads" pick November 2005, one of London Times Christmas Books 2008. DIE A LITTLE is the first in a series of books from Megan Abbott flagged somewhat unhelpfully as "modern noir". I'm not at all sure what that should imply in terms of expectation, but whatever caused it, something didn't really work about this book for me. Megan Abbott is the Edgar winning author of the novels Die a Little, Bury Me Deep, The End of Everything, Dare Me, The Fever, You Will Know Me, Give Me Your Hand, Queenpin and The Song Is You. Die a Little, by Megan Abbott Great noir novel with well-paced tension and interesting characters. Abbot manages to balance traditional hard-boiled style with her cutting edge insights into female roles and relationships. - Die A Little Megan Abbott
