

Download Families In The New Millennium

Families in the New Millennium is the first family book to integrate some of this new body of knowledge with the standard subject matter. Readers will be exposed to a wider range of theoretical perspectives and methods, and a fuller picture of family life in all its richness and diversity. In this article, the authors review changes in family law over the past 30 years in the following areas: marriage, divorce, child custody, remarriage and stepfamilies, unwed fathers, third-party visitation, nontraditional partnerships, assisted reproduction, and adoption. The authors also discuss the role that the social sciences have had in the family law revolution. **FAMILIES CHILDREN IN THE NEW MILLENNIUM** Download Families Children In The New Millennium ebook PDF or Read Online books in PDF, EPUB, and Mobi Format.
