Inside: This is a guest post by Lisa Avellan of Simple & Soul. It wasn't about my stuff, it was only ever about my soul. All simplicity wants is to shine a light on my soul so my soul can shine too. Life is an invitation for us to fully embody our spirit, a birthing from the universal creation energies into form. We are Divine Light and Divine Love, this is a sacred gift available to each and every human being. SouledOut.org is an outreach ministry of Safe Space, founded in California in 1982 as a nonprofit religious organization. Our online mission is to bring the experience of Divinity to everyday life in order to Cultivate, Educate and Inspire all towards Universal Truths. - Freeing The Light Of Soul
