Interviewing The Universe

The 3.8-metre (12 ft) wide concrete-lined tunnel, constructed between 1983 and 1988, was formerly used to house the Large Electron–Positron Collider. It crosses the border between Switzerland and France at four points, with most of it in France. God is not Great, page 71. I am not saying I have an ‘in principle’ objection to theistic explanations. The merits of theistic explanation must be assessed on a case-by-case basis. About the Outstanding Academic Titles This prestigious list reflects the best in scholarly titles reviewed by Choice and brings with it the extraordinary recognition of the academic library community. This is a list of atheists in science and technology. A mere statement by a person that he or she does not believe in God does not meet the criteria for inclusion on this list. - From Quarks To Black Holes Interviewing The Universe
