

# **Download Infertility : The Emotional Journey**

RESOLVE: The National Infertility Association is dedicated to ensuring that all people challenged in their family building journey reach resolution. A diagnosis of infertility means you haven't been able to get pregnant after a year of trying. If you're a woman over 35, it means you haven't been able to get pregnant after 6 months of trying. Infertility can deplete your finances, affect your personal relationships and have an impact on you or your partner's emotional health. Procedures for Infertility and IVF Treatment. Sometimes, the very best chances of pregnancy success require surgical procedures. The majority of procedures are minimally invasive and highly effective, and can be done on an outpatient basis in our own office. - Infertility : The Emotional Journey
