A pharmacy benefit manager, also known as a PBM, is an organization that provides services, educational programs, and services to aid patients. Below you will find helpful information pertaining to the prescription drug benefits. To find if your drug is covered, please follow the directions below to our Drug Lookup Tool. A pharmacy benefit manager is essentially a middleman service between the world's drugmakers and U.S. end payers, but healthcare investors need to understand far more about the unusual PBM industry. We manage your pharmacy plan, and we're a pharmacy. Just like your medical plan covers visits to your doctor, your Express Scripts prescription plan covers the medicine your doctor prescribes. - Managing The Pharmacy Benefit
