Dog Poet Transmitting..... Apologies again dear friends for letting some measure of subjectivity enter into my post. In defense of that I will say that there is often a great deal that can be gleaned from the study of another person's experiences and their resulting thoughts and behavior that follows. Do you feel sometimes as if your prayers are not being heard or answered? Often, God delays His answers, so that we can seek Him, and also learn how to be patient. Romans 14:13-23. FREE TO HELP, NOT FREE TO HINDER . Intro: There is a verse in the New Testament that is a blessing to believers. It is Galatians 5:1 and it says, "Stand fast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage. " Basically, this verse tells us that we are free from the bondage of the Law. Although eating apples likely won't hinder weight loss because apples are low-calorie fruits, adding too many apples to your meal plan -- in addition to your usual calorie intake -- can stall weight loss or even lead to weight gain. However, apples, in moderation, make excellent additions to weight-loss plans. - No Man Can Hinder Me
