You've finally got your hands on the piece of land of your dreams and now you're looking forward to making the best possible use of it. You want to use a permaculture design but there is a problem, no one has explained to you how the design process actually works and maybe you just don't have the \$1000 to afford a Permaculture Design Certificate. What is permaculture? Permaculture is a creative design process based on whole-systems thinking informed by ethics and design principles that feature on this site. I get a lot of question about resources so I thought it would be helpful to create a resource page with a list of books, videos and courses that I can point people to. I'll add to it as I learn more but for now, it's really a comprehensive list. There is a lot of [...]
