

Download Planning The Wedding Different Style For A Classic Wedding

With so many different wedding themes, it's hard to pick the one that matches your style. We rounded up 20 themes to help make your decision easier. A contemporary and elegant wedding is another formal occasion, and while it has the foundations of a classic and traditional wedding, it has a contemporary twist. The contemporary twist can be modern design choices such as a non-traditional wedding dress or non-traditional wedding venue, as well as a modern take on invitations, styling, flowers and decorations. Ephemera. If you're looking to create an event that's luxurious, chic, and timeless, then a classic wedding theme is the way to go. Forget the latest wedding decor trends — this style is all about using elements that will stand the test of time, from soft color palettes to monogrammed stationery, formal attire, and lots of bubbly, natch. Classic Weddings. Aiming for that timeless look? Browse classic weddings and get ideas from other traditional brides in our real wedding photos. - Planning The Wedding Different Style For A Classic Wedding
