Pre-algebra classes are used to prepare a student for the algebra classes they will be taking. How a student begins a course mostly reflects how they will perform till the end. The Student Assessment Division manages and oversees the development, administration, scoring, and analysis of the Texas assessment program, which includes the following assessments: These interactives test, upon completion, will present you with an analysis of the GPS Standards that your child has and has not mastered. You can generate a printout upon completion of the exam. You can also use these tests as general math diagnostic tests, to help you find if your student has any gaps or has not learned specific topics, because the tests group the questions by topic. - Pre Algebra Assessment Answers
