

# Download Savage Claudio Macor

Inspired by an article in The Guardian by Peter Tatchell, Savage explores the atrocities committed by Nazi sympathiser Dr Carl Peter Værnet who believed he had found a 'cure' for homosexuality that included injecting monkey testosterone into the testicles of gay men. All in all I cannot thank Claudio enough for opening my eyes to these travesties. Initially I thought a play like Savage would inspire action or protest to the British and Danish governments to bring war criminals to justice. However, I left the play feeling that love is bigger than that. Forgiveness and love are the way forward. For that I am thankful. Savage book. Read reviews from world's largest community for readers. The shocking story of brutal medical experiments on gay men by the Nazis. Copenhagen... Savage - A New Play by Claudio Macor images by Roy Tan. 80 likes. Savage will uncover the story of Dr Værnet and his ill-conceived "cure" for homosexuality.
