This second in Conn's Shadow series is filled with vampires, a vampire slayer, demons, wizards, a Fae prince and an unlikely romance. I think this paranormal romance is actually better than the first book in the series. Buffy The Vampire Slayer 7xex Buffy The Vampire Slayer 101 Studying The Slayer This is the second book in the Shadow Vampires Series, and it did not disappoint. There was action, intrigue, and very reluctant romance. Nikki Walker is a vampire slayer, out for revenge against the vampire who murdered her brother.
